Facts about the FIFA Club World Cup

- The 14th edition of the FIFA Club World Cup will be held in United Arab Emirates.
- The next match to be played will be the 108th game in the history of the FIFA Club World Cup.
- To date, three Brazilian clubs (Corinthians in 2000 & 2012, São Paulo in 2005, and Sport Club Internacional in 2006), two Italian clubs (AC Milan in 2007 and Internazionale in 2010), two Spanish clubs (Barcelona in 2009, 2011 and 2015, and Real Madrid in 2014 and 2016), one English club (Manchester United in 2008), and one German club (Bayern Munich in 2013) have won the FIFA Club World Cup.
- With nine titles, European teams top the leader board for the number of victories, ahead of South American teams with four.
- Five consecutive finals between 2005 and 2009 and again between 2011 and 2015 were all between teams from South America and Europe. Only in 2010, when TP Mazembe Englebert (COD) played Internazionale (ITA), did an African team reach the final and in 2016 an Asian team, Kashima Antlers (JPN), played Real Madrid CF in the final.
- Two Spanish teams have won five titles ahead of the three Brazilian teams with four titles.
- Barcelona (ESP) are the only club to have won the tournament three times.
- Pep Guardiola from Spain is the only coach to win the tournament three times, twice with Barcelona in 2009 and 2011 and once with Bayern Munich in 2013.
- So far, 58 different teams have participated in the FIFA Club World Cup.
- With six different clubs, Brazil and Mexico have had the highest number of participating teams.
- With eight participations (the 2017 edition will be their 9th), Auckland City FC have competed in the most editions of this tournament: they have played a record 14 matches.
- The three Egyptian players Wael Gomaa, Hossam Ashour and Mohamed Aboutrika (Al Ahly SC) have appeared in a record number of eleven matches.
- Topping the overall list of goalscorers with five goals are Portuguese player Cristiano Ronaldo (2008 for Manchester United, 2016 for Real Madrid CF), Argentinian players César Delgado (2012, 2013 for Monterrey), and Lionel Messi (2009, 2011, 2015 for Barcelona), and Luis Suárez from Uruguay scoring the most goals in a single event (2015 for Barcelona).
- Cristiano Ronaldo (Manchester United and Real Madrid CF), Ronaldinho (Barcelona and Atlético Mineiro), Dwight Yorke (Manchester United and Sydney FC), and Neri Cardozo (Boca Juniors and Monterrey) are the only players to have scored for more than one team in the competition.
- Cristiano Ronaldo (POR) has scored the most final goals in a single match, netting the ball three times against Kashima Antlers (JPN) in the 2016 final.
- Lionel Messi (ARG) has scored the most final match goals; one in the 2009 final against Estudiantes La Plata, two in the 2011 final against Santos (BRA), and one in the final against River Plate in 2015.
- Before Cristiano Ronaldo's (POR) three goals for Real Madrid in the 2016 Final match, Filippo Inzaghi (ITA), Lionel Messi (ARG) and Luis Suárez (URU) were the only players who had scored a brace in a FIFA Club World Cup final match. In 2007, Inzaghi scored two goals for AC Milan against Boca Juniors. Messi's two goals were for Barcelona in the 2011 final against Santos, and Suárez two goals also for Barcelona in the final against River Plate in 2015.
- In 2013, the South American champions Atlético Mineiro needed less than two minutes to get on the scoresheet with Diego Tardelli finding the net after just one minute and 51 seconds, the earliest goal to be scored in the history of the FIFA Club World Cup. The fastest goal was scored by Wayne Rooney for Manchester United in 2008, when he scored against Gamba Osaka within one minute of coming on to the pitch.
- The 2016 and 2013 editions of the FIFA Club World Cup have the highest goal average of 3.5 (28 goals in 8 matches) in the history of the tournament.
- The adidas Golden Boot was presented once in 2000 and has not been awarded since. The adidas Golden Ball and the FIFA Fair Play Award, however, have been presented since the tournament's inception in 2000.

Trophy

FIFA Club World Cup 2017 Winner's Trophy

Designer	Thomas Fattorini Ltd, Birmingham, UK Jane Powell (lead), Dawn Forbes
Manufacturer	Thomas Fattorini Ltd, Birmingham, UK
Description	The design shows six staggered pillars, representing the six participating teams from the respective six Confederations, and one separate metal structure referencing the host of the competition. They hold up a globe in the shape of a football – a consistent feature amongst almost all of FIFA's event trophies. The graceful curves and inherent strength of the trophy evoke the balletic and athletic qualities necessary to successfully compete in the FIFA Club World Cup and the tension and movement describe the competitive energy amongst the participants.
Date of design and manufacture	2005
Weight	5.2 kg
Height	50 cm
Base diameter	20 cm
Widest point	20 cm
Material	Brass, copper, sterling silver; gilding metal, aluminium, chrome and rhodium; gold plated

History

Intercontinental and Toyota Cup

Between 1960 and 1968, the **Intercontinental Cup** was a competition endorsed by UEFA and CONMEBOL and contested between the winners of the European Champions' Cup and the South American *Copa Libertadores*. The system of play was a home-and-away series, decided by points only (the same format used by CONMEBOL to determine the winner of the *Copa Libertadores* final until 1987). Because of this format, a third match was needed when both teams were tied on points.

From 1969 to 1979, the Intercontinental Cup continued as a two-leg competition between the UEFA and the CONMEBOL club champions. However, it adopted the European standard method to decide the winner by adding the goals of both matches to the aggregate score.

As of 1980 and until 2004, the competition was held as a single match in Tokyo and Yokohama, Japan. It was called the **Toyota Cup**, named after its sponsor.

In 2017 the FIFA Council approved the decision to recognise all European and South American teams that won the **Intercontinental Cup/Toyota Cup** – played between 1960 and 2004 – as club world champions.

FIFA Club World Cup

The first **FIFA Club World Cup** organised under the auspices of FIFA was held in 2000 in Brazil with the participation of the club champions of all six confederations (AFC, CAF, CONCACAF, CONMEBOL, OFC and UEFA). In addition to those six teams, two additional competitors were invited: Real Madrid from Spain as the Toyota Cup winner of 1998 and the Brazilian host team, Corinthians, who went on to win the trophy.

In 2005 the Toyota Cup merged with the FIFA Club World Cup. This competition has since been played under the auspices of FIFA and between the club champions from the six Confederations (UEFA's and CONMEBOL's representative entering the competition in the semi-finals).

As from 2007 the host's top team has also participated. In 2007, as a Japanese team won the AFC Champions League, the highest placed non-Japanese team of the AFC Champions League had a play-off for the quarter-finals with the OFC representative.

Competition formats

2008-2017

- The opening match was played between the representative club of the host association and the club of OFC
- The winner of the opening match and the clubs of AFC, CAF and CONCACAF contested the quarter-finals
- The two winners of the quarter-finals and the clubs of CONMEBOL and UEFA contested the semi-finals
- The losing clubs from the quarter-final matches contested the play-off for fifth place
- The losing clubs from the semi-final matches contested the play-off for third place
- The winners of the two semi-final matches contested the final

2007

- The opening match was played between the representative club of the host association and the club of OFC
- The winner of the opening match and the clubs of AFC, CAF and CONCACAF contested the quarter-finals
- The two winners of the quarter-finals and the clubs of CONMEBOL and UEFA contested the semi-finals
- The losing clubs from the semi-final matches contested the play-off for third place
- The winners of the two semi-final matches qualified for the final

2005-2006

- The competition was played in a quarter- semi- and final round
- The quarter-finals consisted of only two matches between the clubs of AFC, CAF, CONCACAF and OFC
- The two winners of the quarter-finals and the clubs of CONMEBOL and UEFA contested the semi-finals
- The losing clubs of the quarter-finals contested the play-off for fifth place
- The losing clubs from the semi-final matches contested the play-off for third place
- The winners of the two semi-final matches qualified for the final

2000

- The competition was played in two rounds
- The 8 teams taking part were divided into two groups of four teams
- The system of play was a league system, each team playing one match against each of the other teams in the same group
- The top teams in each group qualified for the final. The teams coming second in each group contested the play-off for third place
